

## WORSHIP PAGES

Listen VERY CAREFULLY to the sermon this morning and each time you hear one of the words listed below, make a mark in that box. You can only complete the chart if you are paying very close attention. After the service, check with a friend to see if you have matching numbers and bring it by the connection room for a treat.

The Bible says in John 4:23-24 that God desires “worshippers” for Himself that will worship Him “in spirit and in truth.” We cannot worship God in this way if our hearts and minds are not engaged in what is going on during the worship service. We must put aside all thoughts and things that would try to distract us, and we must focus on God. The entire service is designed in a way for Him to speak to us. At this time, pray for God to open your ears and your heart to hear from God so that you can learn to live like Him.

From the first song that we sing, the prayers that are prayed, the offering that is collected, and most of all the message that is preached from the Bible, you will see ways that God wants you to worship Him and to get to know Him better. These pages are designed to help you better understand the worship service and all of its different elements.

These pages are not to be a distraction for you, but a tool to encourage you to participate in worship and better understand what is going on during the worship service. If there is ever a question about something we do or why we do it, please be sure to ask and we would be more than glad to help you. Now, let's getting ready for worship!

BEFORE the worship gathering began, I was sure to...

- Visit the restroom so I wouldn't have to go during worship.
- Have my offering ready for the time when the basket comes.
- Speak to friends so that I won't talk during the gathering.
- Stretch so I wouldn't fidget during the gathering.

I participated during the praise and worship time by...

- Following what others did (standing, sitting, praying, singing).
- Singing the words to songs I knew.
- Listening to the words to the songs I didn't know.
- Thinking about the words I was singing.

My favorite song that we sang was called

Some of the words were

It made me think about... (Circle One)

Jesus    God    Bible    Sin    God's Love    Forgiveness
